PRAYER

Rabbi Hannah Spiro, Hill Havurah, Washington, D.C., offered the following prayer:

Creator of all, at this time when Jews around the world are preparing for Purim—for a time of confronting hate and persecution with courage, pride, and a sense of humor—help us find that laughter and that love for ourselves and one another, even when the world seems to be crashing down around us.

When the world is upside down, teach us how to cartwheel, audaciously adapting and returning rooted, always back to who we truly are.

May our bold open-heartedness bring forth a world of peace, of righteousness, and of jubilation for our families, for our communities, for our Nation, and for all who dwell on Earth.

We know that every soul deserves peace. We know that every soul de-

serves celebration. May we be Your vessels to bring that time about quickly and in our day.

And let us say:
Amen.

JOINT EXPLANATORY MATERIAL STATEMENT ON THE INTELLIGENCE AUTHORIZATION ACT FOR FISCAL YEAR 2022, SUBMITTED BY MR. SCHIFF, CHAIRMAN OF THE HOUSE PERMANENT SELECT COMMITTEE ON INTELLIGENCE

The following is the Joint Explanatory Statement (the “Explanatory Statement”) to the Intelligence Authorization Act for Fiscal Year 2022 (“the Act”), which has been included as Division X of the Consolidated Appropriations Act, 2022. The Explanatory Statement reflects the result of negotiations and disposition of issues reached between the Senate Select Committee on Intelligence (“SSCI”) and the House Permanent Select Committee on Intelligence (“HPSCI”) (together, the “Committees”). The Explanatory Statement shall have the same effect with respect to the implementation of the Act as if it were a joint explanatory statement of a conference committee.

The Explanatory Statement comprises three parts: an overview of the application of the annex to accompany this statement; a statement on anomalous health incidents; and unclassified congressional direction.

PART I: APPLICATION OF THE CLASSIFIED ANNEX AND SCHEDULE OF AUTHORIZATIONS

The classified nature of U.S. intelligence activities prevents the Committees from publicly disclosing many details concerning their final decisions regarding funding levels and policy direction. Therefore, in addition to the Schedule of Authorizations a classified annex to the Act—referred to here and within the annex itself as the “Agreement”—has been prepared to describe in detail the scope and intent of the Committees’ actions.

The Agreement supersedes the classified annexes that accompanied H.R. 5412 and S. 2610; and reconciles differences between the Committees, with respect to the National Intelligence Program (NIP). The Agreement also makes recommendations for the Military Intelligence Program (MIP) and the Information Systems Security Program (ISSP). The Agreement authorizes the Intelligence Community (IC) to obligate and expend funds not altered or modified by the classified Schedule of Authorizations as requested in the President’s budget, subject to modification under applicable reprogramming procedures.

The classified Schedule of Authorizations is incorporated into the bill pursuant to Section 102. It has the status of law. The Agree-

ment supplements and adds detail to clarify the authorization levels found in the bill and the classified Schedule of Authorizations.

The Committees view direction and recommendations, whether contained in the Explanatory Statement or in the Agreement, as requiring compliance by the Executive Branch.

PART II: STATEMENT REGARDING ANOMALOUS HEALTH INCIDENTS

From the time the Committees received the first “Havana Syndrome” reports, the Committees have focused intently on the anomalous health incidents (“AHIs”) that have afflicted United States Government personnel, including many in the Intelligence Community (IC) and other United States Government personnel. Provisions of the Act reflect that continuing, bicameral and bipartisan effort.

The Biden Administration also has pursued its own initiatives. As directed by Congress, it earlier this year appointed a senior official, within the National Security Council, to oversee the government’s response to AHIs. Additionally, in recent months, a widely-discussed assessment concluded that a majority of reported AHIs can be explained by medical conditions or environmental or technical factors, and that it is unlikely that a foreign actor—including Russia—is engaged in a sustained, global campaign involving hundreds of incidents without detection. But the assessment left other cases unexplained, including a small subset that the IC continues to scrutinize most closely.

Around the same time, an IC panel of experts determined that certain AHIs cannot be explained by environmental or medical conditions, but could be due to external stimuli. While acknowledging important information gaps, the panel further determined that pulsed electromagnetic energy—and, in some cases, ultrasound—plausibly might explain AHIs’ core characteristics; and that psychosocial factors alone could not account for those characteristics, though they might cause some other incidents or contribute to long-term symptoms.

These findings advance the United States’ understanding of AHIs. But these findings are also heavily qualified, tentative, and based on a developing and incomplete body of evidence and scientific and medical knowledge. Most important, as the Committees wish to stress, these recent developments do not justify shifting the Executive Branch’s AHI-related activities into a lower gear, or discrediting the reports of AHI victims.

The core work on AHIs—to include examination of a potential role by one or more foreign actors—must continue apace. As with prior inquiries into complex and murky intelligence problems, unraveling the AHI mystery fully may take time. It might be years before the United States reaches definitive conclusions about exactly who, or what, is behind AHIs.

The Administration has acknowledged that a great deal remains to be done. Indeed, much more evidence will have to be gathered. Plausible theories regarding responsibility for AHIs will have to be weighed against a record that will grow and change over time, and potentially may have to be revisited if circumstances warrant. And no plausible theory should be ruled out or downplayed prematurely.

Success will depend on many factors. Among other things, it will be important to have a well-resourced cadre of “cross-cleared” individuals, at all relevant IC elements and other Executive Branch organizations, who can readily review and analyze all relevant intelligence and information, and without hindrances. The Committees long

have emphasized this, with respect to AHI and many other priority intelligence matters. However, the Executive Branch has yet to take all necessary steps, to do away with excessive compartmentation and unnecessary bureaucracy; and to ensure that, for AHI and for other vital missions, the right people consistently and easily can access necessary information. That will have to change.

Treatment also must remain a matter of highest priority. All AHI victims must be encouraged to file prompt reports of their experiences, and without fear of being disbelieved or dismissed. They and their families must receive the highest quality medical and other care and must receive that care immediately. Thus far, some bureaucratic roadblocks to the provision of care have been removed—but there is no excuse for any to remain. They must be dismantled. And new ones must not be erected.

Above all, there can be no slowing down, in the investigation into AHIs and in the treatment of AHI victims and their families. To do so would risk signaling—to those individuals, to the broader IC workforce, and to the wider world—that, though it prioritized the issue most highly for a discrete time, the United States is “moving on” from AHIs.

That cannot be allowed to happen. And the Committees will continue to conduct vigorous oversight, to prevent it from happening.

PART III: UNCLASSIFIED CONGRESSIONAL DIRECTION

This Joint Explanatory Statement incorporates by reference, and the Executive Branch shall comply with, all direction contained in the Senate Select Committee on Intelligence Report to accompany the Intelligence Authorization Act for Fiscal Year 2022 (S. Rept. 117–37) and in the House Permanent Select Committee on Intelligence Report to accompany the Intelligence Authorization Act for Fiscal Year 2022 (H. Rept. 117–156).

The Executive Branch is further directed as follows:

IN HONOR OF THE EXTRAORDINARY LIFE AND LEGACY OF
MRS. BEATRICE PRICE

TERRI A. SEWELL

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Friday, March 11, 2022

Ms. SEWELL. Madam Speaker, I rise today to honor the remarkable life and legacy of Beatrice Muse Price, a pioneering Army nurse to the Tuskegee Airmen during World War II, who passed away at age 98 on March 4, 2022.

Mrs. Price was born the second of six children on January 21, 1924, in Bessemer, Alabama, to the late Henry and Frances Muse. Graduating from Hale County Training School, she went on to attend Grady Memorial School of Nursing in Atlanta, Georgia, where she graduated in 1944 as a Registered Nurse. She continued her education at the University of Maryland, Tuskegee University, and Miles College.

Mrs. Price began her career in nursing, serving as a chief nurse for a private hospital in Detroit, Michigan. She then joined the Army Nurses Corps in WWII, serving as a 2nd Lieutenant then later as 1st Lieutenant. During her time in the military, Mrs. Price was assigned to care for the famed Tuskegee Airmen, the first African American military aviator unit in the United States Army. From 1944 to 1948, Mrs. Price showed exemplary courage and service to the Tuskegee Airmen, earning her the prestigious Congressional Gold Medal along with the men she cared for. Her heroic military service to our country broke many barriers for future generations of Black nurses.

Mrs. Price had a stellar 42-year career in nursing. After her discharge in 1948, she went on to work in the U.S. Public Health Service for three years. Then, she spent the next 34 years working as a nurse at the Birmingham VA Medical Center. She was ultimately promoted to be the Night Nursing Supervisor, a position she held for twenty years until she retired on January 2, 1988.

Mrs. Price received countless awards for her remarkable leadership and contributions to the nursing profession. In 1985, VA department heads in Birmingham selected Mrs. Price as the first recipient of the distinguished Administrator's Award for Excellence in Nursing. In 2011, Mrs. Price was selected by America's oral history project, StoryCorps, to create an audio recording of her incredible life story. She also received national recognition in 2013, from the international Black nurse's sorority, Chi Eta Phi, for being a True Nursing Pioneer.

Throughout her life, Mrs. Price was a faithful servant leader. She was an active member of the Sixth Avenue Baptist Church, serving for over sixty years as a member of the Deaconess Board, founder of the Wellness Ministry, and co-founder of a Sunday School class.

Mrs. Price is preceded in death by her husband of 37 years, Charles E. Price, Sr.; parents Henry and Mary Frances Muse; sister, Ruth Outland; two brothers Eugene Muse and Theodore Muse, Sr.; two stepdaughters Norma Jean Price and Charlotte Price; and granddaughter, April Price. She is survived by one daughter Gill Hickman (G. Michael); two sons Joseph Diop (Betty Ann) and Michael Price (Anita); two surrogate daughters Karen Beverly West (John "Bev") and Amelia Jones; a daughter-in-law Sherrell Price; one brother Henry Muse, Sr. (Eulasteen); one sister Annie Bell Dawson; ten grandchildren Angela Terry (Anthony), Kimberly Crago (Stephen), Michael B. Hickman, Bennie Stephen Hurst (Fred-erica), Manny Franklin (Preston), Arianne Price, Ashley Price, Tyler Price, Serena James, and Yolanda Roberts; one surrogate granddaughter Anniko "Nicole" Richardson (Jay); seven nieces and nephews John Outland, Jr. (Patricia), Monica Chambers, Kenneth Muse, Theodore Muse Jr. (Marquita), Arleen Livingston, Darlene Davis, Anita Muse; best friend and colleague Juanita Hixon; dear friends Leona Steward and Veronica Pettway; and a host of great-grandchildren, cousins, friends and church members.

On a personal note, Mrs. Price was a source of great inspiration for me and so many young black women. A trailblazer and pioneer in the field of nursing, she was devoted to her church, her family, and her service to this nation. A woman of tremendous faith, Mrs. Price served honorably during World War II alongside the legendary Tuskegee Airmen. As Alabama's first Black Congresswoman, it was my high honor to bestow upon her a Congressional Gold Medal for her courage, bravery, and exemplary service. I was also elated to host Mrs. Price in Washington at the State of the Union in 2013. For

all of her accomplishments, Mrs. Price was always gracious, sweet, compassionate, and humble—always helping others with a smile and an extended hand. I am eternally grateful for our friendship, mentorship, and special bond. I want to thank her family for sharing her with the world. May we find comfort in knowing that she lived a full blessed life, and her legacy will live on in the hearts and actions of those she impacted. Rest in Peace and Power, thy good and faithful servant.

On behalf of Alabama's 7th Congressional District, I ask my colleagues to join me in recognizing the extraordinary life and legacy of Mrs. Beatrice Muse Price and her dedicated service that helped transform American History.

Mr. ADERHOLT. Madam Speaker, today I would like to recognize and congratulate Mr. Tom Walker, founder and president of the American Village in Montevallo, Alabama, on his retirement after almost 35 years as an educator, civic leader and inspiration to children and adults alike across the southeast and the nation.

American Village, an 188-acre campus in Montevallo, Alabama, became chartered in 1995 and has since educated and inspired over 750,000 children as well as adults across the southeastern United States. American Village has welcomed thousands of public visitors each year for a true American Experience.

Before founding American Village, Tom earned his bachelor's degree, with honors, in history and political science from the University of Montevallo and his master's degree in political science from Mississippi State University.

Tom Walker is the former City Manager of Northport, Alabama, and served as the Special Assistant to the President of the University of Montevallo. He is also the former Vice Chair of the Board of Trustees at the University of Montevallo and was the founding chair of the AL Higher Education Partnership.

Since founding the American Village, Tom has received numerous awards and honors. In 2017, he was one of only sixteen private citizens appointed to the Semiquincentennial Commission to organize the 250th birthday celebration of the United States of America. In December of 2020, Tom was conferred the Honorary Doctor of Laws by Troy University. He is a past recipient of the American Bar Association's highest national award for excellence in K-12 law-related education. He is the recipient of the DAR Medal of Honor and the SAR Gold Citizenship Medal, the highest national honors awarded by the National Societies of the Daughters of the American Revolution, and of the Sons of the American Revolution, respectively. He has received numerous other state, regional and national awards and was named as Birmingham Citizen of the Year by The Women's Committee of Birmingham in 2014.

Tom once said, We must build good citizens and leaders who will cherish these ideals, and thereby learn to love our country, and what an incredible job of that he has done these past 35 years working with the students of the southeast.

Upon his retirement, Tom looks forward to spending more time with his wife, Betty, three children: his son, Matt and wife Candace; his daughter, Jane Herndon and her husband Josh; and his son Jefferson, along with his grandson, Wells Thomas Herndon. He will continue to maintain an office and an active part-time Founder and Director-Emeritus position at the American Village, as he continues to prepare the nation's youth to become leaders.

Since my own appointment to the United States Semiquincentennial Commission, I have had the honor to serve alongside Tom. I have grown to admire and respect his great love for American history, his solid values and his strong faith in God, which are the foundations that have made this nation great. It has been a privilege to work with him on this commission, but more importantly to call him my friend. I look forward to his continued service in that role.

As a community leader, educator, and friend, Tom Walker has touched the lives of countless Americans, including myself. Therefore, I ask you to join with me in congratulating Tom Walker on an inspirational 35 years of work and service to Montevallo, the State of Alabama, and the United States of America.

PERSONAL EXPLANATION

HON. PAUL A. GOSAR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Friday, March 11, 2022

Mr. GOSAR. Madam Speaker, on Thursday, March 3, 2022, this body considered amendments and final passage of H.R. 3967, the Honoring our PACT Act. One amendment voted on before this chamber was Mr. Ryan of Ohio's amendment number 23 which added the text of the SFC Heath Robinson Burn Pit Transparency Act to the bill.

While I did not support final passage of this bill, I did support several of amendments offered to it. Amendment 23 was one such amendment. Due to error on the House floor, my amendment was incorrectly cast as no.

This was an error and I rise today to correct my vote and indicate that I intended to vote yes, in favor of amendment 23. While I have issues with the underlying bill, this amendment was a strong addition to ensure we provide an adequate level of care to our nation's veterans who are suffering from toxic exposure during their service to this country.

Madam Speaker, I reiterate that I intended to vote in favor of amendment 23.

HONORING FEDERAL HEALTH
WORKERS DEPLOYED TO SPAR-
ROW HOSPITAL IN LANSING

HON. ELISSA SLOTKIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, March 11, 2022

Ms. SLOTKIN. Madam Speaker, I rise today to honor the heroic caregivers at Sparrow Hospital in Lansing, Michigan, including the Department of Defense medical team which has been providing critical assistance as the hospital has grappled with a surge in COVID patients over the last few months.

In early February 2022, as the omicron variant drove case levels to new heights, a team of 23 federal medical personnel, including physicians, registered nurses, and respiratory therapists, arrived in Lansing to provide much-needed help to Sparrow's staff. The team has spent the past month providing invaluable aid to the hospital's overtaxed Emergency Department, and in other areas of the hospital overwhelmed by extraordinarily high patient volumes. This team has worked alongside Sparrow's staff with grace, grit, and professionalism, and they have been invaluable to the hospital's service to the Greater Lansing area. Michigan's healthcare heroes, including the staff at Sparrow Hospital, have been on the frontlines of this battle for the past two years under the most intense and stressful conditions. But their commitment to the safety and health of our community never wavered. I've heard stories of caregivers who have held the phone to the ear of a dying patient so a family could say goodbye; others who have developed special relationships with patient's loved ones; and some who have worked with tireless dedication only to break down in their cars at the end of the day from what they're living through.

Sparrow Specialty Hospital leaders even organized a wedding ceremony—bringing decorations from home and filling in the wedding party—for a COVID patient who realized the shortness of life and decided to marry his longtime love as soon as possible. While the dedication shown by our health workers is remarkable, so too is the emotional and physical strain they've been put under.

The brave men and women of the military are called to serve their country, and we are so grateful to this team for the immense relief they have provided in the battle against this invisible enemy. I will never forget the cheers and tears I saw firsthand as the team arrived, in uniform, marching down Sparrow's hallway. I knew immediately they would feel right at home alongside the mission-driven team at Sparrow, and that this partnership would yield much-needed hope and relief.

We are so grateful to all who have cared for and comforted COVID patients and their families through two years of unrelenting demands, and to this remarkable partnership between the Department of Defense medical team and Sparrow Hospital. On behalf of a grateful community and nation, it is my great honor to record their remarkable service to Mid-Michigan so that their actions may be known to all.
