House of Representatives

The House met at noon and was called to order by the Speaker pro tempore (Mr. MFUME).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
August 30, 2022.

I hereby appoint the Honorable KWEISI MFUME to act as Speaker pro tempore on this day.

NANCY PELOSI,
Speaker of the House of Representatives.

PRAYER

Reverend Gene Hemrick, St. Joseph's Catholic Church, Washington, D.C., offered the following prayer:

O Lord, Albert Einstein once thanked You for sharing with us divine harmony within our universe.

We especially thank You for the harmony of the four seasons.

As fall approaches, may Congress and our Nation be blessed with the inspiring harmony that is at the heart of the greatness You have bestowed on us throughout our history.

Amen.

EXTENSIONS OF REMARKS

REMEMBERING JOSEPH RYAN FERRALL

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mr. RYAN. Madam Speaker, I rise today to honor the life of Joseph Ryan Ferrall, who passed on August 19, 2022, at the age of 34.

Joseph was born on August 13, 1988, in Alliance, Ohio. The son of Nicholas and Anna Marsico, he would become a graduate of Marlington High School's 2006 class. After achieving this, Joseph would become a furnace attendant for Timken Steel.

Joseph was the definition of a true family man. He was the husband of Amber Ferrall, whom he proclaimed was the love of his life at eight years old and married on January 22, 2015. They would raise three handsome boys: Tucker, Colton, and Jaxon. Alongside that, Joseph was a lover of fishing, golf, and baseball; the latter of which he passed along to his sons by coaching their teams.

Unfortunately, Joseph was one of three employees injured by the furnace explosion at the Timken Steel plant on July 26, 2022. While he fought valiantly, Joseph eventually succumbed to his wounds. Joseph leaves behind his wife and his three sons; his parents, Rhonda and Eric; his brothers Tony (Kaitlyn) Ferrall, and Scott Ferrall; his sister, Erica Ferrall; his grandparents, Robert and Carol Swonger; his in-laws, Wendy and Tim Saunders; sisters-in-law, Melissa and Erin Saunders; brothers-in-law, Tim Saunders and Jon Fracchione; and many aunts, uncles, cousins, nieces, and nephews, and his best friend, Justin King.

Joseph's passing is one that should rightfully affect us. This should not have happened. While we await the results from the investigation on what caused the explosion, let us make a commitment, as a community and as a nation, to do what is necessary to prevent incidents like this from reoccurring. Let us surround his wife and kids with love and prayer. Joseph's life was one that should have never been lost, but let's make sure his passing is not in vain.

RECOGNIZING DANIEL REESE GRIME, USMC

HON. GREGORY F. MURPHY

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mr. MURPHY of North Carolina. Madam Speaker, I rise today to honor the life of Mr. Daniel Reese Grime. Mr. Grime was born on March 31, 1930, and graduated high school in Monaca, Pennsylvania, where he lettered in football and worked at the St. Joe Minerals Corporation steel mill.

Mr. Grime enlisted in the Marine Corps in 1952, where he went through basic training at

Marine Corps Recruit Depot Parris Island and completed the Sea School course at Norfolk Naval Base in Portsmouth, VA. It was at Norfolk Naval Base where Mr. Grime prepared for his duty aboard the USS *New Jersey*. He was soon promoted to Corporal and given the task to man the 16" and 5" guns aboard the prestigious battleship BB-62. While aboard the USS *New Jersey*, Mr. Grime was a part of one of the most famous battleships involved in the Korean War. The USS *New Jersey* took part in numerous engagements providing Naval gunfire support, which played a crucial role in disrupting enemy supply lines.

Mr. Grime would spend a total of six years in the Marines, including several years in the Marine Corps Reserves. Mr. Grime would go on to marry his loving wife, Janet, who he met while on leave in Washington, D.C. Together they raised four children. Mr. Grime would eventually return to work at the St. Joe Minerals Corporation steel mill and served as a volunteer fireman and as a volunteer at his local school system. He passed away on June 3, 2022, as a proud Marine and proud citizen of the United States.

Madam Speaker, please join me today in remembering the life and memory of Mr. Daniel Reese Grime and all he has done for our beloved country.

CELEBRATING THE 100TH BIRTHDAY OF IRVIN ADAIR, JR.

HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mr. LAMBORN. Madam Speaker, I rise today to celebrate Irvin Adair's 100th birthday. Mr. Adair is a dedicated father, grandfather, WWII veteran, and former public servant for the City of Colorado Springs, Colorado.

On September 3, 1922, Irvin was born in a small farmhouse near El Dorado, Kansas. Mr. Adair has lived a full life dedicated to his country and family. Irvin had seven siblings, four younger brothers and three sisters.

When World War II began, Irvin was only sixteen years old, but when he was old enough to enlist, he did so. He was sworn into the United States Navy on December 7, 1942, on the USS *Oregon* in Portland, Oregon—one year after the Japanese attack on Pearl Harbor. Irvin served on two destroyers during his service—the USS *Frankford* and the USS *Uhlmann*. The USS *Frankford* escorted supply ships from the Brooklyn Navy Yard to Casa Blanca, Africa.

Seaman 1st Class Adair proudly served on the USS *Uhlmann*, a ship with extensive combat engagement during WWII. Irvin and his fellow sailors provided aircraft carrier support for air strikes in many Pacific Theater battles, including the Battle of Iwo Jima. In addition, they participated in the Okinawa, Leyte Gulf, Western Carolines, Lueon, and Japan operations. When WWII ended, the USS *Uhlmann*

docked at Tokyo Bay, Japan, next to the USS *Missouri*, where the Empire of Japan signed the official Instrument of Surrender to the Allied forces. Irvin could see the military dignitaries on the bow of the USS *Missouri* from where he stood on the USS *Uhlmann*.

For his steadfast dedication and service, Irvin received the European African Middle Eastern Campaign Medal, the American Campaign Medal, the World War II Victory Medal, the Philippine Liberation Medal with two stars, and the Asiatic Pacific Area Campaign Medal with six stars. Irvin's combat experience can only be described in volumes as he bravely fought in most of the WWII Pacific Theater Sea battles.

After being Honorably Discharged from the US Navy, civilian life began for Irvin. In 1948, he started working for the City of Colorado Springs as the Supervisor of the Peterson Airport Service Facility. During this time, he was lucky to meet and marry Ms. Barbara Campbell in September 1952. Barbara was a wonderful wife (of 66 years), mother, and grandmother until her passing in January 2017. Together, they have three children: Cathy, David, and Judy. Their legacy continues with six grandchildren. Irvin retired in 1980 after 32 years of dedicated service to the City of Colorado Springs.

Today, Irvin continues to enjoy life in Colorado Springs, Colorado. His life may seem simple, but that is undoubtedly the Lord's gift for his heroism and the sacrifices he made during his service in WWII.

Mr. Adair remains connected with fellow service members as he is a lifetime member of the Veterans of Foreign Wars and the American Legion.

I wish Mr. Adair a very happy 100th birthday and thank him for his service to our great Nation. May he celebrate many more.

HONORING DAVE FRISCH UPON HIS RETIREMENT AS CHIEF OF POLICE FOR LAPEER MICHIGAN

HON. LISA C. MCCLAIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mrs. MCCLAIN. Madam Speaker, I rise today to honor and celebrate Lapeer Chief of Police Dave Frisch, who will be retiring on September 23, 2022, after more than 30 years of serving our community in law enforcement.

Chief Frisch has lived the mantra of "to protect and to serve". His leadership has enabled Lapeer to be a peaceful community for the families and individuals who make it their home. It may not have always been easy, but Chief Frisch has served with honor, dignity, and grace.

The community of Lapeer and the State of Michigan thank Chief Frisch for his decades of service. I wish him and his wife, Arlene, the best as they embark upon their next chapter together. He has left big shoes to fill, but I am

confident the leadership he has displayed in his decades of service will be followed in the Lapeer community for years to come.

RECOGNIZING THE BLACK STUNTMEN AND WOMEN'S ASSOCIATION

HON. KAREN BASS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Ms. BASS. Madam Speaker, I rise to take note of the history and accomplishments of the Black Stuntmen and Women's Association (BSA). For 55 years, their pioneering efforts paved the way for all minority stuntmen and women to contribute their talents to the American entertainment industry. They have helped assure that television, movies, and other media, which have a global reach, truly reflect our nation.

Founded in 1967 by Eddie Smith with co-founder Alex Brown and the group's first president Ernie Robinson, members would meet after their regular jobs in a park in Compton, California, to train and perfect their stunts in Hollywood. At the time, Caucasian stunt doubles in dark makeup nearly always stood in for Black actors during filming. By organizing together and working with Black actors who wanted more realistic stunt doubles, they effectively pressured producers and directors to change their practices and open the doors to their work.

These were hard-fought battles. BSA filed 32 lawsuits to shed light on systematic discrimination in the film industry. With the help of the Equal Employment Opportunity Commission and attorney Margaret Ryan Kreeger, BSA won all 32 cases, including a 1976 judgment that ordered major studios to abide by federal mandates against discriminatory hiring, a major victory in an industry that saw itself outside such legal mandates. BSA's efforts ended the common practice of "paint down" to match a double to the actor's skin tone, while they also broadened and changed the landscape of the film industry.

Forcing more equitable studio hiring practices not only cracked open the door for Black stunt doubles, but also increased Black and minority participation in many other roles behind the camera, including cinematographers, set and lighting designers, costume and makeup designers, even directors and producers.

BSA's groundbreaking work deserves recognition, especially now that many early members have retired or passed away. While much work remains to assure real equality of opportunity, I commend the BSA for their continuing fight for a Hollywood that reflects all of America.

RECOGNIZING MAYOR GRACE VARGAS

HON. NORMA J. TORRES

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mrs. TORRES of California. Madam Speaker, I rise today to honor my constituent the late Honorable Grace Vargas for her countless

years of dedication to the Inland Empire as the former Mayor of Rialto.

Grace served her community for nearly 35 years and shined as a trailblazer for women of color throughout the Inland Empire. As a single mother of seven children, Grace moved from Yuma, Arizona, to Fontana, California, in 1959. She joined the California Employment Training Act (CETA) program, gaining new skills and turning towards a life of public service for the City of Rialto.

She began her career in 1979 with the City Clerk's office, later transferring to clerk for the Rialto Police Department and the City Treasurer's Office. She was elected to the City Council in 1998, where she served for two years.

In 2000, Grace Vargas was elected Mayor, becoming the first woman and first Latina to hold that position. She served as Mayor for 12 years, retiring in 2012. During her tenure, she accomplished several crucial economic development projects, such as Renaissance Rialto and a new senior center. Her legacy would later be memorialized as the city established the center as the Grace Vargas Senior Center in 2016.

Her work in Rialto and the Inland Empire uplifted residents and businesses, leaving an impact that will be felt for decades to come. Grace's coworkers and friends gave her the nickname "Amazing Grace," exemplifying her dedication and influence on the community. Grace Vargas will be missed in the Inland Empire, but she will remain in our memory through her contributions to the community.

Today, Madam Speaker, it is my honor to recognize the Honorable Grace Vargas on the House floor for the contributions she has made to the greater community of the Inland Empire. May she rest in peace and her family find comfort during this time.

RECOGNIZING ILIR ZHERKA

HON. JAMES A. HIMES

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mr. HIMES. Madam Speaker, I rise today to recognize Ilir Zherka's service as Executive Director of the Alliance for International Exchange. For nearly seven years, Ilir has devoted himself to advancing person-to-person exchanges and fostering greater global connectivity. During that time, the Alliance has forged deeper relationships between its members and federal officials, and federal funding for educational and cultural exchange programs has reached record levels.

Ilir's tenure coincided with the COVID-19 pandemic, which derailed countless exchange opportunities and threatened the short-term viability of any international linkages. Under Ilir's steady hand, however, the Alliance helped expand on line programming and worked to ease barriers to participation.

Ilir also recognizes the role that exchanges play in strengthening global democratic networks. I commend the Alliance's work to promote freedom and American values within the international exchange community as a means for reversing the global decline of democracy.

While the exchange community will feel his absence, Ilir's legacy will endure through new and fortified international relationships. I join

the Alliance in thanking Ilir for his years of steadfast service, and I wish him the best in his future endeavors.

INTRODUCTION OF THE FEDERAL RETIREMENT THRIFT INVESTMENT BOARD INSPECTOR GENERAL ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Ms. NORTON. Madam Speaker, today, I introduce the Federal Retirement Thrift Investment Board Inspector General Act of 2022, which would create an independent Inspector General (IG) for the Federal Retirement Thrift Investment Board (FRTIB). The FRTIB administers the Thrift Savings Plan (TSP), the retirement savings and investment plan for federal employees.

On June 1, 2022, FRTIB launched a new system with the goal of modernizing TSP's recordkeeping, improving customer service and bolstering cybersecurity. There have been widespread problems with the new system, including account access, account balances, missing or incomplete information in accounts and hours-long wait times to reach customer service.

As of December 2021, TSP had approximately 6.5 million participants and \$838,052,933,000 in assets, making it the world's largest defined contribution plan. Federal employees dedicate their careers to serving our country, and they deserve a retirement savings and investment plan that provides top-tier customer support and security.

While the Employee Benefits Security Administration has the audit responsibility for the FRTIB, as it does for all private sector 401(k) plans, there is currently no IG for the FRTIB. The problems with the new TSP system are evidence enough that the FRTIB needs an independent IG.

HONORING THE 100TH ANNIVERSARY REUNION OF WAUKEELA CAMP FOR GIRLS

HON. CHRIS PAPPAS

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mr. PAPPAS. Madam Speaker, I rise today to celebrate the 100 Anniversary Reunion of Waukeela Camp for Girls, located in Eaton, New Hampshire. Established in 1922, Waukeela Camp for Girls has been a home away from home for campers and staff alike for over 100 years.

Waukeela has enshrined its sense of community with treasured traditions and open arms to all, which has built a life-long community that endures even years after leaving camp. It is no easy feat to keep a small business running for 100 years, and I congratulate Waukeela's current and former owners and staff on this accomplishment. Waukeela is also remarkable for the ways in which they give back to our larger Mount Washington Valley community, and we are grateful for their work.

I also wish to extend my condolences to the entire Waukeela community for the losses of Edith "Edie" Middleton, Ralph Mead, Kendall Chun, Louise Stevenson Thomas, and Nancy Evans Burns, the latter two of whom were better known around camp as "Stevie Ma'am" and "Nan EB" respectively. This centennial celebration is not complete without their presence, and I hope this weekend brought you a chance to honor their memory and share stories of the good times you enjoyed with them.

Finally, I recognize the 'Mid Pines Foundation for organizing this reunion celebration, and for the work they do to provide for those who could not otherwise afford to attend Waukeela Camp for Girls.

On behalf of my constituents in New Hampshire's First Congressional District, congratulations once again to the entire Waukeela Camp for Girls community on this incredible milestone.

RECOGNIZING MS. MOLLY
McFADDEN

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mr. BURGESS. Madam Speaker, I rise today to recognize the significant contributions of Ms. Molly McFadden, as she steps down as Director of the North Central Texas Council of Governments' (NCTCOG) Department of Emergency Preparedness. I'm pleased to join Ms. McFadden's friends and colleagues to celebrate her twenty years of committed service to the safety of North Texas.

Ms. McFadden, a University of North Texas alumna, first began working for the NCTCOG in September 2002 as an Emergency Preparedness Specialist. During her time as a student, her involvement in the International Emergency Management Student Association in the aftermath of 9/11 garnered numerous awards. She also briefly served on the municipal level as the Emergency Management Specialist for the town of Flower Mound in 2003. In 2005, she also earned her Master of Public Administration at UNT and continues to be a devoted proponent of her beloved alma mater.

Throughout her lengthy tenure with NCTCOG, Ms. McFadden's passionate dedication to public preparedness and safety has expanded and strengthened North Texas' emergency response capabilities and infrastructure. Ms. McFadden was personally instrumental in forming the NCTCOG Emergency Preparedness (EP) Department, which effectively coordinates and fosters collaboration between local, county, regional, State, and Federal agencies to execute and heighten regional emergency preparedness and homeland security programs. After being promoted to EP Supervisor and then EP Manager, Ms. McFadden was selected as the Director of the EP Department in 2010, where she has served for the past 12 years.

In addition to her leadership at the NCTCOG, Ms. McFadden served on the Board of Directors for the Emergency Management Association of Texas (EMAT), and, from 2006–2008, as the organization's Vice President. Her involvement with EMAT also included significant contributions to educational

programming for the Association's annual conference, which she capably chaired for several years. In addition, she is a member of the FBI's InfraGard program, The International Association of Emergency Managers, and the World Affairs Council.

Her emergency response deployments include Emergency Operation Center assignments in the wakes of Hurricane Katrina, Hurricane Harvey, and Hurricane Ike, where her selfless devotion helped to provide effective disaster relief to citizens and communities across Texas. On the local level, Ms. McFadden has implemented new training initiatives, such as Urban Shield and Big-X, to equip civilians and government entities for emergency response. I am also personally grateful to her and her staff for their efforts to educate and equip my constituents to prepare for all hazards, both natural and man made. At my annual Emergency Preparedness Summit, she has often served as a subject matter expert on intergovernmental cooperation and as a panel moderator.

Ms. McFadden's expertise, diligence and leadership has resulted in the enhanced safety and well-being of her fellow Texans. I applaud her two decades of exemplary public service, and I wish her all the best in her future personal and professional endeavors.

HONORING THE HEROIC LIFE AND
SERVICE OF HAROLD MCAFEE

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Ms. STEFANIK. Madam Speaker, I rise today to honor the heroic life and service of World War II veteran and United States Army Sergeant Harold McAfee.

Harold McAfee was born in Detroit, Michigan, on January 9th, 1923. Harold was a star hockey player in high school and was offered a scholarship to Fordham University. Instead, Harold enlisted in the newly formed 10th Mountain Division in 1943, where he trained in mountain combat and utilized his substantial hockey experience to learn skiing and mountaineering skills. He was deployed as a Combat Infantry Squad leader in Italy and held the line against Tito's movements on the Italy-Yugoslav border.

During World War II, Harold played an integral role in one of the 10th Mountain Division's most iconic attacks. After two other divisions had previously failed, the 10th Mountain Division was tasked with securing Mount Belvedere in Italy's North Apennines to ensure Allied forces could safely advance into northern Italy. The 10th Mountain Division valiantly overran the Germans, clearing them from the high ground and laying the groundwork for an Allied victory. In 1946, Harold was honorably discharged and was awarded a Bronze Star and two Oak Leaf Clusters.

After his time in the military, Harold dedicated more than thirty years of his life working for the United States Postal Service. In 1989, Harold and his wife Loraine relocated from Long Island to Queensbury. They spent a large amount of their time enjoying the outdoors through hiking, skiing, camping, and golf. Harold prioritized sharing his passion for winter sports with children. For many years,

he volunteered as a coach for Adirondack Youth Hockey, where he mentored hundreds of children. In addition, he was a member of several clubs in his community such as the Lions Club and the High Flyers. Harold remained active until he reached the age of 97, when his attention became fully devoted to caring for his wife who developed dementia.

On behalf of New York's 21st district, I am honored to recognize the extraordinary life of Harold McAfee. It is my hope that his active spirit and community service will be carried on by those who knew and loved him.

HONORING DOROTHY LOUISE
LEONARD

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mr. HUFFMAN. Madam Speaker, I rise today to honor Dorothy (Dot) Louise Leonard of Stevensville, Maryland, on the occasion of her 90th birthday. Ms. Leonard has contributed enormous energy and talent over the years to the protection of our Nation's coastal resources, particularly our shellfish and the industry they support. Not surprisingly—for Dot—she is still immersed in shellfish restoration work as we speak.

A public policy graduate of New York's Syracuse University, Dot Leonard's local government land use planning work soon drew her into coastal conservation matters following Congress' adoption of the 1972 Coastal Zone Management Act. Dot took on the monumental task of creating an atlas of shellfish production areas around the Nation's entire coastline for the purpose of protecting those areas. She proceeded to develop Best Management Practices for Shellfish Restoration, now used by State and local governments to set sanitary control standards for our Nation's shellfish waters and industry.

Dot was recruited by the State of Maryland to lead its Department of Fisheries where she worked with all her might to help her Chesapeake Bay 'watermen' protect and restore their oyster grounds and other fishery resources. She worked with the State of Washington, as executive director of the non-profit Willapa Alliance, to improve shellfish culture in the southwest corner of that State.

Dot has been a 'mover and shaker' in the international shellfish restoration scene, helping to pull together the initial gathering of what has become the International Shellfish Restoration Conference, now in its 20th year. Some of her favorite international shellfish restoration gatherings are those that have taken place in Ireland, from where her grandparents immigrated to America more than a century ago. As Chair of the House Natural Resources Subcommittee on Water, Oceans, and Wildlife, I know Dot's contributions to shellfish restoration and coastal conservation are far-reaching.

Madam Speaker, it is appropriate to recognize Dot Leonard for her extraordinary commitment to coastal conservation and shellfish restoration as she celebrates her 90th birthday in Ireland surrounded by many of the friends that she has won over the years from the U.S., Australia, New Zealand, Ireland, Scotland and beyond. Please join me in expressing deep appreciation for her service and in

wishing her 'La breithe shona duit'—Happy Birthday, Dot.

BOWIE HIGH SCHOOL CENTENNIAL CELEBRATION

HON. VERONICA ESCOBAR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Ms. ESCOBAR. Madam Speaker, I rise today to recognize Bowie High School's Centennial Celebration.

On September 7, 2022, Bowie High School will celebrate its 100-year anniversary. Bowie High School was founded in 1922 and is one of El Paso's oldest schools. Situated within 100 yards of the United States-Mexico border, Bowie High School encapsulates our city's history of integrated cultures between El Paso and our sister city, Ciudad Juarez.

Over the last century, this beloved El Paso institution has been central to the education of South side, mostly Mexican-American families who live at our Nation's front door. The school and its students have seen many hardships, including persecution and racial discrimination, but Bowie High School has built a strong and resilient community that has always persevered.

Today, it continues to stand as a high school powerhouse of spirit and pride that has produced decades of distinguished alumni who have transformed our borderland. I am grateful for the commitment of all the administrative staff and teachers to educate every student who has attended this historic institution.

I commend Bowie High School's 100 years of loyalty, tradition, and service to generations of El Pasoans who call themselves proud Bowie Bears.

RECOGNIZING THOMPSON FALLS LOCAL AREA DISABLED AMERICAN VETERANS VOLUNTEER TRANSPORTATION NETWORK COORDINATOR, LARK CHADWICK

HON. MATTHEW M. ROSENDALE, SR.

OF MONTANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mr. ROSENDALE. Madam Speaker, I rise to recognize Ms. Lark Chadwick, for her remarkable contributions to her community as Coordinator of the Disabled American Veterans Volunteer Transportation Network in Thompson Falls, Sanders County, MT.

With many veterans in her own family and an extensive background teaching in the arts, in 2008 Ms. Chadwick offered up her skills in art, planning, and computers to expand her Local Area DAV VTN's operations, public relations, new logo, and driver handbook outline.

In 2009, Ms. Chadwick took over the task of coordinating this chapter. As coordinator, she takes calls from veterans and books transports to their VA-approved medical appointments, calls volunteers to drive those transports, manages the vans, and reports monthly to the DAV Hospital Service Coordinator.

Over the course of fourteen years, Ms. Chadwick has successfully coordinated approximately 4,200 rides for 240 veterans.

While consistently managing a 12 person team, Ms. Chadwick has also willingly sefeifeibove and beyond by volunteering her time as a driver, and thus far has driven over approximately 30,000 miles to ensure that veterans are receiving the care they require.

I also want to recognize Ms. Chadwick's tireless efforts to recruit more volunteer drivers to meet the needs of our veteran neighbors. Along with others in Sanders County, Ms. Chadwick helped establish Sanders County Veterans Transportation—a group dedicated to fundraising for the purchase and replacement of DAV Vans serving Sanders County. Through successful fundraising efforts from Ms. Chadwick and local residents, the Sanders County DAV van fleet now has three vans.

Ms. Chadwick's service to Montana doesn't end with her DAV coordinating work. With a heart ready to protect the foundational concepts of freedom and our Constitution, in 2009 she also formed the Thompson Falls TEA Party, became involved with the Sanders County Republican Central Committee, and established the Montana Committee to Protect the Constitution.

Ultimately, I want to commend and thank Ms. Chadwick for her selflessness and outstanding service to our veterans in Thompson Falls, Sanders County, Montana.

NE NATIONAL GUARD 170TH GROUP PARTNERSHIP

HON. DON BACON

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mr. BACON. Madam Speaker, I rise to commemorate the 20th anniversary of the formal partnership between the United States Air Force's 55th Wing and the Nebraska Air National Guard's 170th Group at Offutt Air Force Base in Nebraska. The anniversary occurred on the 3rd of June this year and was the first of its kind as the oldest association between the Air National Guard and an Active Duty combat-coded Air Force Wing.

The first unit member of the 170th Group was now-retired Air Force Air National Guard Major General Rick Evans who arrived at Offutt Air Force Base on June 3, 2002, to set up and command what was initially Detachment 1 of the Nebraska Air National Guard. Later, the 170th Group was formed to expand the mission capabilities of Detachment 1 into two squadrons: the 238th Combat Training Squadron which provided combat aircrew training support for the 55th Wing, and the 170th Operations Support Squadron which provided vital support to 55th Wing missions in the areas of weapons and tactics, intelligence, base operations, weather, and aviation resource management.

The extraordinary 20-year partnership between the 170th Group and the 55th Wing has enabled and sustained combat and sensitive reconnaissance operations supporting the war on terror and other national missions around the globe. Today, the 170th Group is preparing to expand its mission yet again with two additional squadrons that will expand its aircraft maintenance and intelligence support capabilities.

I am truly honored as a former 55th Wing Commander to have witnessed firsthand the

operational impacts of the 170th Group. These outstanding Airmen ensure the daily success of the 55th Wing's demanding global mission and are recognized across the Air Force community for their leadership in forging a world-class Active Duty and Reserve component partnership.

I salute the visionary leadership of those who designed the 170th Group over 20 years ago and all those who have served in its units to the present day. Congratulations on 20 years of success and the many more to come.

RECOGNIZING AMY LUNSTRA

HON. JASON CROW

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mr. CROW. Madam Speaker, I rise today to recognize Amy Lunstra, owner of Festive Cup Coffee and Gift Boutique in Highlands Ranch, Colorado, for creating an inclusive work environment for individuals with intellectual and developmental disabilities (IDD).

A former special needs teacher at ThunderRidge High School in Highlands Ranch, Amy recognized a space where our community fell short—in the lack of employment and community engagement opportunities for those with IDD outside of school.

In July 2020, in the midst of a global pandemic, Amy purchased Festive Cup Coffee with the intention of providing a space for those with IDD to work. Her goal was to break down barriers, promote tolerance and acceptance, and prove that individuals with IDD could thrive in a work environment. In January 2021, Amy began hiring workers with IDD at Festive Cup and fostered a unique partnership between employees with and without IDD.

Amy has tackled stigmas about IDD workers and provided the chance for those with IDD to gain independence and self-sufficiency. It goes without saying that Amy has had an incredible impact, not only on those with IDD that she employs, but on our community as a whole. Amy epitomizes how we should all live our lives—as tireless and dedicated advocates for the diversity and inclusion of all people. I am proud to recognize Amy and thank her for being an inspiration to all of us.

HONORING JOEL SHERBURNE'S 65 YEARS OF SERVICE

HON. CHRIS PAPPAS

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 30, 2022

Mr. PAPPAS. Madam Speaker, I rise today in recognition of Joel Sherburne and his 65 years of service to Calef's Famous Country Store. Since age 17, Joel has served the Town of Barrington as Calef's "Cheese Man," sharing advice on how to care for your cheese and secret recipes using Calef's famous "Snappy Cheddar." He has devoted himself to the safety, community and connectedness of his neighbors. Joel has been instrumental over the last six decades in bringing the people of Barrington together.

Joel's dedication to New Hampshire spans beyond his cheese expertise. He has taken on

an active role in serving his community, designing the town sign and serving as Fair Ambassador to the Rochester Fair. Joel founded the Barrington Ambulance Service and taught EMT classes, which has saved countless lives and ensured that his neighbors have help

should they need it. Joel even helped restore the nearby Rochester Opera House, inviting music and art into the lives of his neighbors. Joel's commitment to Granite Staters was commemorated in 2017 with a United States Postal Service postmark.

On behalf of my constituents in New Hampshire's First Congressional District, I congratulate Joel for 65 years of service and thank him for his outstanding contributions to the community of Barrington.
