PROCEEDINGS AND DEBATES OF THE 117<sup>th</sup> CONGRESS, FIRST SESSION

Vol. 167

WASHINGTON, MONDAY, MARCH 29, 2021

No. 58

## House of Representatives

The House met at 10:30 a.m. and was called to order by the Speaker pro tempore (Mr. EVANS).

### DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,

March 29, 2021.

I hereby appoint the Honorable DWIGHT EVANS to act as Speaker pro tempore on this day.

NANCY PELOSI,  
*Speaker of the House of Representatives.*

### PRAYER

Reverend Alisa Lasater Willoo, Capitol Hill United Methodist Church, Washington, D.C., offered the following prayer:

Listening Lord, what a privilege it is to carry everything, everything to You in prayer.

Oh, how easy it is to allow these prayers to feel pro forma. In the stillness, help us hear You call us by name, not first as Member, staffer, clerk, lobbyist, unpaid activist, or any earthly title, but rather, as Your beloved child.

Share with us, God, both about our own hopes, dreams, trials or tribulations, and the work You have for us today. Speak to any trauma, be that from individual pains or the insurrection through which this whole House suffered together. Empower us to be trustworthy companions to anyone struggling, those in our own office, in our home, around our district, and across the aisle.

In this pro forma prayer, open us to real conversation with You, both now and throughout this congressional session so that we, like You, on that first Passover, might hear the cries of Your people, and like Jesus at the cross, may bear one another's burdens.

Amen and amen.

### INTRODUCTION OF THE WASHINGTON, D.C. AREA HELICOPTER NOISE INFORMATION EXCHANGE ACT OF 2021

#### HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 29, 2021

Ms. NORTON. Madam Speaker, today, I introduce the Washington, DC Area Helicopter

Noise Information Exchange Act of 2021, which would require the Federal Aviation Administration (FAA) to implement a Government Accountability Office (GAO) recommendation to create a mechanism to exchange information about helicopter noise in the Washington, DC area between FAA and helicopter operators. I am pleased that Representatives GERALD E. CONNOLLY and DONALD S. BEYER, Jr. from Virginia and Representatives JAMIE RASKIN, ANTHONY G. BROWN and DAVID J. TRONE from Maryland join me in introducing this bill, underscoring its regional importance.

Residents of the District of Columbia and the national capital region (NCR) have been plagued by helicopter noise for years. Yet, there is no centralized complaint system nor any comprehensive data about helicopter noise in the NCR. In January 2019, Representatives CONNOLLY, BEYER, RASKIN, BROWN, TRONE and I wrote GAO requesting that it conduct a study of helicopter noise in the NCR. In that letter, we wrote, "Many of our constituents live with the impacts of regular helicopter noise that interrupts sleep patterns, causes their homes to shake and negatively impacts their quality of life. While disturbances from helicopter noise have been a longstanding problem for some, others have noted recent increases in the frequency and severity of helicopter noise in their neighborhoods. We understand that helicopter activity is an essential part of law enforcement, military and medical operations and appreciate the critical efforts of employees serving in those sectors. However, we also believe that, through information collection, analysis and coordination, we can identify strategies to minimize the negative impacts of helicopter activity without impeding the work of the agencies operating helicopters within the region."

In response to our request, GAO announced in June 2019 that it would conduct the study. GAO released its report in January 2021. GAO found that FAA's current ability to work with helicopter operators in the NCR is limited because of the absence of effective information sharing mechanisms. GAO recommended that FAA direct its Office of Environment and Energy to develop a mechanism to exchange helicopter noise information with operators in the NCR. FAA concurred with GAO's recommendation, but this bill would require FAA to develop such a mechanism.

This bill would direct the creation of a more effective information sharing mechanism, which would also allow for better, more comprehensive data on helicopter noise complaints. This data would in turn help us develop solutions to address helicopter noise.

I urge my colleagues to support this bill.

### HONORING THE LIFE OF HERMON RUDOLPH NETHERLAND

#### HON. BRIAN BABIN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, March 29, 2021

Mr. BABIN. Madam Speaker, I rise today to honor the life of Hermon Rudolph Netherland, who passed away on Friday, March 19, 2021, at the age of 94. Hermon was a U.S. Navy World War II veteran, longtime resident of Tyler County, and deeply respected by all who knew him.

Hermon was born on April 21, 1926, in Enterprise, Louisiana, to Anne and Neal Netherland. At a young age, his family moved to Port Arthur, where he was raised. Like many kids of his generation, Hermon worked from an early age. His family had a large garden and they grew an assortment of fruits and vegetables from bell peppers to cantaloupes. Hermon had the responsibility of tending the garden. His duties included hoeing, watering, and picking the vegetables. At the onset of WWII, Hermon felt led to serve his country and wanted to enlist. However, Hermon's father was against this decision, fearing his 15-year-old son would go to war. After spending the next year convincing his father, Hermon was finally allowed to enlist in the Navy.

After completing Basic Training in San Diego, California, and signal school in Chicago, Illinois, Hermon enrolled in underwater demolition training at Fort Pierce in Florida. He soon qualified as both a Navy signal man and frog man, (someone who assisted with underwater demolitions). After a deployment in Newport, Rhode Island, Hermon went on to participate in nearly every major campaign in the Pacific Theater. Throughout the war, he would be based on the USS *Birgit*, a troop transport and cargo ship. His duties would rotate between signalman, frog man, and manning a landing craft taking troops to shore on several of the most dangerous invasion campaigns. Hermon was present for the U.S. invasion of Guam, Sai Pan, Iwo Jima, Okinawa, the Philippines, and the Marshall Islands. While in the Philippines, Hermon and fellow Navy frogmen were tasked with helping to open the Straits of Hormuz.

The USS *Birgit* returned to America after the war via the Panama Canal. Conveniently, its final stop was the Port of Orange, where the ship was then decommissioned and sold. Essentially, the ship he had spent the entirety of the war on, traveling across the Pacific Ocean, delivered Hermon to his own front door. Shortly after returning home, Hermon met Velma, the love of his life. They were married soon after she completed high school. They were blessed with 64 years of marriage and a wonderful baby girl. Following his time in the military, Hermon went to work for Texaco in Port Arthur and retired from there after many years of service. During his retirement, Hermon enjoyed spending time at his cabin located on Lake Amanda in Colmesneil to hunt and fish.

Hermon is survived by his sister-in-law, Charlene Netherland of Oregon, and numerous friends. He is preceded in death by his parents, Neal and Anne Netherland; wife, Velma Netherland; and daughter, Sharon Netherland.

Madam Speaker, I honor my friend Hermon Netherland as one of the last members of the Greatest Generation. His faithful service to our country will not be forgotten, and my heartfelt prayers remain with his family and friends during this difficult time.

I couldn't be more thankful to represent the incredible people across South Dakota and all over the nation who work hard each day, not for fame, not for recognition or for money, but for the betterment of their communities. This is what makes America strong. I am grateful for the opportunity to recognize these hard-working individuals.

## REMEMBERING THE LIFE OF CADE GEBBERS

### HON. DAN NEWHOUSE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 29, 2021*

Mr. NEWHOUSE. Madam Speaker, today we commemorate the life of one of my constituents, Cade Gebbers of Brewster.

At just 19 years old, Cade was already an integral part of his community and a remarkably accomplished student athlete with a bright future ahead of him.

From being named the Washington Interscholastic Activities Association Athlete of the Week and the State B Basketball Player of the Year, to making the winning shot at the State tournament with only 1.3 seconds left on the clock, Cade's talent with a basketball was an inspiration to many fellow young athletes in his community.

1 Thessalonians 5:11 tells us to "encourage one another and build each other up," and that's exactly what friends and family will always remember Cade for, on and off the court: a young man with a gentle heart and a warm smile who was a constant source of encouragement for his classmates and teammates.

Even in their time of grief, Cade's family is taking action by supporting Only 7 Seconds, a Washington-based organization dedicated to spreading individual expressions of positive support to combat the feelings of isolation and depression that so many teenagers experience. I commend them for their strength and commitment to this worthy cause.

My thoughts and prayers, as well as those of neighbors across Central Washington, are with Cade's entire family—especially his parents, Johnny and Nikki, and his siblings Kelson, Cort, Karden, and Capri. May the Gebbers family find peace and comfort in their faith, in their family and community, and in Cade's memory.
